

**Poplar Grove Aviation Education Association
Poplar Grove Vintage Wings & Wheels Museum
Scholarship Program Donation**

Poplar Grove Aviation Education Association
a 501(c)3 corporation

Each year the Poplar Grove Aviation Education Association and the Vintage Wings and Wheels Museum award a series of scholarships aimed at helping students pursue their careers in both the aviation and automotive industries. Contributions to either the general Museum Scholarship fund or to individual Scholarships are a wonderful way to give back to the community.

The recipients must intend to utilize the training to become a professional in the aviation/automotive industry, including maintenance, and the education program must result in a degree or FAA certificate.

The following is required to apply for a scholarship:

- A completed application
- A typed or computer printed essay detailing personal interests and goals, previous activities, how the current training will help meet goals and any other pertinent information
- Three letters of reference
- Applicants applying for pilot ratings must provide evidence of having passed a medical appropriate to the rating.

Before the scholarships are awarded the applicant may be required to attend an interview with the Selection Committee.

Each year, schooling becomes more and more expensive. Please consider either contributing any amount large or small toward the general scholarship. Better yet, donate money each year. Minimum donation for a personally named Scholarship is \$1,000.

If you would like to contribute to or start your own scholarship, please fill out the back of this form.
